

Salvia **FASHIONISTA™**

'Pretty in Pink' PPAF

(Perennial Salvia) Vibrant lavender pink flowers are held on darker pink calyxes. Compared to 'Sweet 16', this Salvia produces brightly colored flowers for a longer bloom period. The word Fashionista is often used to describe someone who is constantly on the cutting edge of beauty, representing current fashion trends. Likewise, this new collection of Perennial Salvia from Walters Gardens, Inc. hybridizing represents the cutting edge of perennial fashion, with big, bold blooms in an array of chic and stylish colors. All of the varieties in this collection are Salvia pratensis hybrids, so you know you can expect excellent garden performance.
