

# Aruncus 'Chantilly Lace'

**PPAF CPBRAf**

(Goat's Beard) With the addition of 'Chantilly Lace' to the Proven Winners® program, you can be well on your way to a complete shade garden lineup! This part shade-loving plant produces beautiful sprays of lacy, cream-colored flowers in late spring to early summer. It is very floriferous when it's in bloom, completely covering the deep green foliage. Goatsbeard is similar in appearance to Astilbe in the garden, but it is more drought tolerant.
