

# Sedum ROCK 'N GROW® 'Superstar' PPAF CPBRAf

(Stonecrop) This low maintenance, compact Stonecrop will be the star of your late summer garden. Dark turquoise succulent leaves have a smoky gray overlay. Later in the season, rosy pink flowers with hot pink carpels explode over the dome-like habit with great flower coverage. Dark purple seed heads extend the color long have it has finished blooming. Although compact, 'Superstar' is more of an intermediate groundcover, more in line with the height of the popular 'Pure Joy'. Don't miss its lighter hued counterpart, 'Popstar'! This plant pairs perfectly with other fall bloomers like hardy garden mums, asters, and Black-Eyed Susans. Try a few in containers and at the front of the border.
