GENERAL PERENNIALS

Alcea rosea Halo Series - Candy

Photo Courtesy of Thompson & Morgan

(Hollyhock)

- A member of the Halo Series from Thompson & Morgan
- Sugar pink flowers have a dark purple halo
- Large, single, bicolor blooms appear from early to midsummer
- Height: 5-6 ft
- Width: 18-24 in
- Zones: 3-9

Anemone 'Curtain Call Deep Rose'

PPAF

(Japanese Anemone)

- Dark rose pink flowers appear beginning in late summer
- Double rows of petals
- Short, compact variety
- Perfect perennial for Fall interest!
- Height: 14-18 in
- Width: 16-18 in
- Zones: 4-8

Anemone 'Curtain Call Pink'

PPAF

(Japanese Anemone)

- Bright rosy pink flowers appear beginning in late summer
- Double rows of petals
- Short, compact variety
- Perfect perennial for Fall interest!
- Height: 14-18 in
- Width: 16-18 in
- Zones: 4-8

Aruncus 'Chantilly Lace'

PPAF CPBRAf

(Goat's Beard)

- Wisps of lace-like cream flowers appear in late spring to early summer
- Great choice for shade or part sun!
- Deep green leaves – very floriferous
- Use as an alternative to Astilbe in the landscape – more drought tolerant
- Height: 32in
- Width: 48in
- Zones: 3-7

Aclepias tuberosa

'Blonde Bombshell' PPAF

(Butterfly Weed)

- A yellow flowering clone of the classic *Asclepias tuberosa*
- Improved habit and more uniform color than seed strains
- Dark foliage carries golden yellow flowers
- Very popular with pollinators!
- Height: 18-20 in
- Width: 28-32 in
- Zones: 3-9

Baptisia 'American Goldfinch' PPAF

(False Indigo)

- Golden yellow flowers spikes bloom in late summer
- Incredibly floriferous selection!
- Perfect for large spaces or mass plantings in the landscape
- Attractive round seed pods in fall
- Height: 3-3½ ft
- Width: 4½-5 ft
- Zones: 4-9

Baptisia DECADENCE® DELUXE 'Pink Lemonade' PPAF CPBRA

(False Indigo)

- Unique bicolor pattern
- New flowers are light yellow
- As flowers mature they turn to a dusky raspberry purple tone
- 12in long flower scapes have charcoal stems
- Height: 3½-4ft
- Width: 4ft
- Zones: 4-9

Clematis 'Copernicus'

- Brand new in 2016!
- Medium sized blue flowers
- Semi-double
- A light colored bar extends down the center of each petal
- Height: 6-7 ft
- Zones: 4-8

Clematis 'Monte Cassino'

- Large flowering vining Clematis
- Single, velvet crimson flowers
- Blooms have nicely contrasting cream stamens
- Height: 7-10 ft
- Zones: 4-8

Clematis 'Rosamunde'

- A delightful two-toned Clematis!
- Single, salmon pink flowers have a deep pink bar extending through the center of each petal
- A perfect choice for fences and trellises
- Height: 5-6 ft
- Zones: 4-8

Clematis 'Skyfall'

- Light blue blossoms have soft violet splashes
- A light, almost white, bar appears at the center of the sepals
- Height: 8 ft
- Zones: 4-8

Clematis *integrifolia* 'Blue Ribbons'

Photo Courtesy of Jelitto Staudensamen

(Bush Clematis)

- Very large 1¾in indigo blue flowers
- Low growing, non-vining type of Clematis
- Benefits from light staking or the support of nearby plants
- Height: 16-18 in
- Width: 16-18 in
- Zones: 4-9

Clematis 'Stand By Me'

PPAF CPBRA

(Bush Clematis)

- Blue bell-shaped flowers
- Non-vining, herbaceous clematis dies back to the ground
- Long season of flowering (Late May - June with some rebloom)
- Attractive seed heads
- Plant needs support
- Broad foliage, new growth has bronze cast to leaf undersides
- Height: 34-38in
- Width: 24-28in
- Zones: 3-7

Clematis 'Violet Stardust' PPAF

(Bush Clematis)

- Non-vining Clematis
- Very small blue, star-shaped flowers have four petals
- Benefits from staking or neighboring plants
- Broad leaves
- Height: 24-26 in
- Width: 38-40 in
- Zones: 3-7

Coreopsis grandiflora 'SunKiss'

(Tickseed)

- Huge flowers are nearly 3in across
- Golden yellow blooms have burgundy red centers
- Perhaps the brightest yellow blotched variety available as a seed strain
- Height: 12-24 in
- Width: 14-16 in
- Zones: 4-9

Walters
Gardens
INC

Cream & Red ('Balupteamed' PPAF)

Gold & Bronze ('Baluptgonz' PPAF)

Yellow & Red ('Baluptowed' PPAF)

Coreopsis UPTICK™ Series

(Tickseed)

- A long blooming series of large-flowered Coreopsis
- Tidy, mounded habits
- Low-maintenance, disease resistant cultivars
- Height: 12-14 in
- Width: 12-14 in
- Zones: 5-9

Delphinium *elatum* 'Million Dollar Sky'

Photo Courtesy of Ivy Garth

(Hybrid Bee Delphinium)

- A compact option for Hybrid Bee Delphiniums
- Large spikes of semi-double to double flowers
- Light blue flowers have a white bee on very erect stems
- Very heat tolerant
- Height: 2½-3 ft
- Width: 1½-2 ft
- Zones: 3-7

Dianthus FRUIT PUNCH® 'Cherry Vanilla' PPAF CPBRAAF

(Pinks)

- Fully double flowers, about 1½in wide
- Sturdy, proportional flower stems
- Deep red flowers with a lighter pink picotee edge
- Black-red buds
- Height: 6-8in
- Width: 14in
- Zones: 4-9

Walters
Gardens
INC

Dianthus FRUIT PUNCH® 'Classic Coral' PPAF CPBRAf

(Pinks)

- Semi-double, striking coral pink flowers
- Rounded habit of blue-green foliage
- Tight, compact habit
- Height: 8-10in
- Width: 12in
- Zones: 4-9

Dianthus FRUIT PUNCH® 'Raspberry Ruffles' PPAF CPBRAAF

(Pinks)

- Cute raspberry pink, fully double blossoms are 1¾in wide
- Each petal is serrated with a razor thin white edge
- Opens a deep raspberry pink and maintains color through flowering
- Height: 8in
- Width: 9in
- Zones: 4-9

Walters
Gardens
INC

Dianthus PRETTY POPPERS™ 'Double Bubble' PPAF

(Pinks)

- Double, medium pink flowers with blue-green foliage
- Very floriferous, petite package
- Height: 6-8 in
- Width: 6-8 in
- Zones: 4-9

Dianthus PRETTY POPPERSTM™ 'Electric Red' PPAF

(Pinks)

- Dramatic, rich red flowers grab you from a distance
- Flowers are held on strong stems over blue-green leaves
- Height: 8-10 in
- Width: 16 in
- Zones: 4-9

Dianthus *barbatus* 'Scarlet Fever'

PPAF

(Perennial Sweet William)

- Sport of 'Heart Attack'
- Bright, red-orange flowers
- Large panicles of flowers
- 'Scarlet Fever' behaves more like a perennial than its biennial relatives
- Height: 16-20 in
- Width: 24-30 in
- Zones: 4-9

Echinacea LAKOTA™ 'Sante Fe'

(Coneflower)

- Shorter, compact plant
- Color of flowers range from reddish orange, pinkish red, to red
- 3½in flowers
- Height: 12-16in
- Width: 18in
- Zones: 4-8

Echinacea *purpurea*

PRAIRIE SPLENDOR™ Rose Compact

(Purple Coneflower)

- Compact version of the popular PRAIRIE SPLENDOR™
- Rose colored flowers
- First year flowering variety
- No vernalization required
- Height: 14-16 in
- Width: 12-14 in
- Zones: 3-9

Photo Courtesy of Syngenta Flowers, Inc.

Epimedium 'Domino'

(Barrenwort)

- Flowers have white spurs with pink centers
- Delicate looking flowers have an airy feel
- Evergreen foliage is mottled with dark burgundy
- Unique shade perennial!
- Height: 18-24 in
- Width: 24-36 in
- Zones: 5-8

Epimedium 'Pink Champagne'

(Barrenwort)

- Flowers have white spurs and raspberry centers
- Delicate looking flowers have an airy feel
- Evergreen leaves are mottled with green and dark burgundy
- Unique shade perennial!
- Height: 18-24 in
- Width: 24-36 in
- Zones: 5-8

Fragaria DELIZZ™

Photo Courtesy of ABZ Seeds

(Ornamental Strawberry)

- Easy to grow
- Fruit is both sweet and aromatic
- White flowers
- Ideal for containers
- Spreads by runners if planter directly into the ground
- 2016 All-America Selections Edible – Vegetable Winner
- Height: 14 in
- Width: 36 in
- Zones: 4-8

Carex oshimensis EVERCOLOR® 'Everillo' PP21002

(Japanese Sedge)

- Sport of 'Evergold'
- Brilliant, solid gold leaf color
- Short, tan inflorescence appears just above the foliage
- Perfect for rock gardens or as a 'spiller' in containers
- Best in morning sun
- Height: 10-12 in
- Width: 28-32 in
- Zones: 5-9

Deschampsia cespitosa 'Northern Lights'

(Tufted Hair Grass)

- Small scale grass perfect for containers or small garden spaces
- Thin green leaves have narrow creamy white margins
- Leaves take on very subtle pink blush tones in cool temperatures
- Light green seed heads age to tan
- Best in full sun
- Foliage Height: 12 in
- Flower Height: 28-32 in
- Width: 16-18 in
- Zones: 4-9

Panicum virgatum 'Blood Brothers'

(Red Switch Grass)

- Sport of 'Heavy Metal'
- Very deep, dramatic red color
- Blue-green leaves are almost completely overshadowed by wine-purple coloration
- Tan flower heads appear in late summer
- Height: 36 in
- Width: 28-32 in
- Zones: 4-9

Panicum virgatum PRAIRIE WINDS® 'Totem Pole' PPAF CPBRAf

(Switch Grass)

- Very upright, linear habit
- Resists lodging
- Steel blue foliage, powdery blue stems
- Nice application for narrow places in the landscape
- Height: 6ft
- Width in Flower: 2½ft
- Zones: 4-9

Sporobolus *heterolepsis*

'Gone with the Wind'

(Prairie Dropseed)

- Hair-like foliage is very fine
- Shorter than the species
- Wispy, airy and aromatic tan flower panicles
- Foliage takes on red tones in late fall
- Excellent for mass plantings!
- Height: 36-40 in
- Width: 20-24 in
- Zones: 3-9

Heliopsis *helianthoides*

TUSCAN GOLD™ ('Inhelsodor' PPAF)

(False Sunflower)

- Sunny yellow flowers with more golden centers & matching eyes. Looks overall more yellow than the standard golden Heliopsis
- 2½in flowers—larger flowers
- Compact, upright habit with dark green leaves
- Resists powdery mildew
- Height: 24-32in
- Width: 20-24in
- Zones: 4-9

Photo Courtesy of Proven Winners®

Helleborus ROSEMARY (‘Walhero’ PP19439)

(Lenten Rose)

- First year flowering
- Flowers face outward rather than down like most Hellebores
- Cheerful rose pink flowers
- Mature flowers darken in color
- Light pink veining and dark spotting on petals
- Height: 12-14 in
- Width: 22-24 in
- Zones: 4-9

Hemerocallis EARLYBIRD ORIOLE™ ('Centerton One' PP24129)

(Daylily)

- Ruffled pumpkin orange blossoms
- Dark orange eye zones highlight the yellow throat
- Blooms early and long
- Rebloomer!
- Blooms: 5 in
- Height: 20 in
- Width: 18-24 in
- Zones: 5-9

Hemerocallis 'Maestro Puccini'

(Daylily)

- Wine purple flower with dark purple halos
- Lemon yellow throats
- Gently ruffled petals
- Blooms: 5½-6 in
- Height: 28 in
- Width: 18-24 in
- Zones: 3-9

Hemerocallis 'New Lavender Triumph'

(Daylily)

- Lavender flowers have a subtle mauve band and lemon yellow throat
- Razor thin creamy yellow picotee edge
- Flower color holds up very well, even through light rain
- Three-way branching on well-budded scapes
- Blooms: 5½ in
- Height: 24 in
- Width: 18-24 in
- Zones: 3-9

Hemerocallis 'New Tangerine Twist'

(Daylily)

- Long petal form a triangular shaped blossom
- Light tangerine orange flowers have a slight rose overtone
- A faint rose halo decorates the golden orange throat
- Pie crust-edged petals are nicely twisted
- Blooms: 6½ in
- Height: 33 in
- Width: 18-24 in
- Zones: 3-9

Walters
Gardens
INC

Hemerocallis RAINBOW RHYTHM® 'Orange Smoothie' PPAF CPBRAF

(Daylily)

- 4in wide, orange mango flowers with light rose band
- Heavy petal substance provides weather resistance
- Long season of bloom with well-branched, well-budded scapes
- Cookie cutter flower form and size
- Excellent rebloom
- Height: 24in
- Width: 18-24in
- Zones: 3-9

Hemerocallis 'Romantic Returns'

PP13481

(Daylily)

- Deep rose pink flowers have ruffled petals
- Rebloomer!
- Blooms: 5 in
- Height: 25 in
- Width: 18-24 in
- Zones: 3-9

Hemerocallis RAINBOW RHYTHM® 'Storm Shelter'

(Daylily)

- 5in wide blooms
- Enormous deep eggplant purple eye takes up almost all of the flower
- Triangular shaped sunny yellow throat
- Wide, pie crust picotee edge matches eye zone
- Heavy petal substance
- Height: 24in
- Width: 18-24in
- Zones: 3-9

Walters
Gardens
INC

Spring Foliage

Summer Foliage

Heuchera PRIMO™ 'Wild Rose'

PPAF CPBRAf

(Coral Bells)

- Huge leaves of bright, rosy purple
- Burgundy rose flower scapes open to rosy pink flowers
- Foliage Height: 8-10in
- Flower Height: 22in
- Width: 18in
- Zones: 4-9

Heuchera 'Twist of Lime' PPAF

(Coral Bells)

- Chartreuse yellow leaves are crinkled and wavy
- Ruffles are most evident on new growth
- Exceptionally bright yellow color
- Height: 8in
- Width: 12in
- Zones: 4-9

Heuchera 'You're So Vein' PPAF

(Coral Bells)

- Chartreuse leaves with scalloped edges
- Silver overlay in centers
- New growth has bronze red veining, overlay on new growth
- Flowers are very bright, almost fluorescent pink; bicolor
- Full, rounded habit
- Height: 8in
- Width: 18-24in
- Zones: 4-9

Heuchera FUN AND GAMES® 'Eye Spy' PPAF CPBRAf

(Foamy Bells)

- Bright amber foliage is set off by dark burgundy pattern in the center of the leaf and leaf veins (spring color)
- Foliage color matures to lime green with silver overlay in summer
- Extremely floriferous selection with pink blooms
- Vernalization is beneficial but not required for flowering
- Foliage Height: 9in
- Flower Height: 16in
- Width: 20in
- Zones: 4-9

Hibiscus 'Airbrush Effect' PPAF

(Rose Mallow)

- 8-8½in, vibrant pink flowers with salmon tones
- An airbrushed central white halo circles the small dark red eye
- Dark green foliage
- Compact habit
- Height: 3 ½ -4 ft
- Width: 4-4½ ft
- Zones: 4-9

Hibiscus SUMMERIFIC® 'Cherry Choco Latte' PPAF CPBRAf

(Rose Mallow)

- Improved 'Cherry Cheesecake' with bigger flowers, more compact habit with better basal branching, and darker foliage color
- Intense red veining radiates from a dark red eye zone
- White flowers with pink overlay
- Dark nearly bronze foliage
- Height: 4ft
- Width: 4ft
- Zones: 4-9

Hosta 'Blue Elf' PPAF

- Small, very compact blue Hosta
- Leaves are about 2½-3in across
- True powdery blue leaves
- Proportionate flower spikes of lavender flowers appear in midsummer
- Foliage Height: 8 in
- Flower Height: 12 in
- Width: 12-14 in
- Zones: 3-9

Hosta 'Fire and Ice'

- Reverse sport of the popular Hosta 'Patriot'
- Heart shaped leaves have wide, pure white centers and dark green margins
- Lavender flowers in midsummer
- Medium-sized Hosta
- Height: 20-22 in
- Width: 30 in
- Zones: 3-9

Walters
Gardens
INC

Hosta SHADOWLAND® 'Waterslide' PPAF CPBRAf

- Wavy, pie crust ruffling, intense blue leaves with heavy substance
- Holds blue color very well
- Lavender flowers open on proportionate flower scapes
- Slow to moderate growth rate
- Height: 14in
- Width: 32in
- Zones: 3-9

Hosta 'Wiggles and Squiggles'

- Bright yellow leaves are very long and thin
- Margins are incredibly wavy
- Low, wide habit
- Leaves will be more chartreuse green in full shade – best yellow color comes with filtered sun
- Height: 8-10 in
- Width: 24 in
- Zones: 3-9

Iberis sempervirens 'Candy Ice'

(Evergreen Candytuft)

- Snow white flowers appear in mid-spring
- Vigorous variety that still delivers a compact habit
- Height: 8 in
- Width: 14-16 in
- Zones: 3-9

Iberis sempervirens 'Snowball'

(Evergreen Candytuft)

- Very refined, uniform habit
- Large flowers
- Height: 8-10 in
- Width: 20-22 in
- Zones: 3-9

Iris 'Bernice's Legacy'

Photo Courtesy of The California Flowerbulb Company, Inc.

(Tall Bearded Iris)

- Exceptional red Iris
- Flowers are a blend of garnet and cinnamon
- Vigorous, reblooming variety
- Height: 32 in
- Width: 18-24 in
- Zones: 3-10

Iris 'Blatant'

Photo Courtesy of The California Flowerbulb Company, Inc.

(Tall Bearded Iris)

- Canary yellow standards contrast nicely with deep magenta falls
- Reblooms in zones 5 and higher
- Height: 36 in
- Width: 18-24 in
- Zones: 3-10

Iris 'His Royal Highness'

(Tall Bearded Iris)

- Ruffled, medium purple standards
- Reblooms in fall in most zones
- Height: 36 in
- Width: 18-24 in
- Zones: 3-10

Photo Courtesy of The California Flowerbulb Company, Inc.

Iris sibirica 'Blueberry Fair'

(Siberian Iris)

- Similar in flower shape to 'Strawberry Fair'
- 4in wide, indigo purple falls
- Standards have white centers with indigo purple veining
- Height: 24-32 in
- Width: 18-24 in
- Zones: 3-9

Iris sibirica 'Sky Mirror'

(Siberian Iris)

- Similar flower shape to 'Ruffled Velvet'
- Rare light blue flower color
- Pale sky blue falls have navy blue centers and small light yellow signals
- Sky blue standards match the falls
- Height: 32-35 in
- Width: 18-24 in
- Zones: 3-9

Lagerstroemia BARISTA® 'Cool Beans' PPAF

(Crapemyrtle)

- Superb foliage plant with dark olive green leaves
- Leaves are edged rosy red
- Cool salmon pink flowers appear in late summer
- Blooms on new wood
- Height: 2½-3 ft
- Width: 2½-3 ft
- Zones: 6-9

Leucanthemum superbum 'Cream Puff' PPAF

(Shasta Daisy)

- Lemon yellow buds open to cream flowers
- Does not require vernalization to bloom
- Deadheading encourages rebloom
- Large 3-4in flowers have a double row of wide, overlapping petals
- Height: 14-16 in
- Width: 26-28 in
- Zones: 5-9

Nepeta faassenii 'Kitten Around' PPAF

(Catmint)

- Exceptionally compact variety of Catmint!
- Tight, round mound of aromatic foliage
- Bright rosy purple calyxes hold periwinkle blue flowers
- Perfect for containers or small garden spaces!
- Height: 12-14 in
- Width: 20-22 in
- Zones: 3-8

Penstemon 'Midnight Masquerade'

PPAF CPBRA

(Beardtongue)

- Dark burgundy leaves, upright habit
- Lavender pink flowers—truly vibrant, outstanding color
- UV light required for best foliage color
- Height: 34-36in
- Width: 20in
- Zones: 3-8

Phlox 'Cloudburst' PPAF CPBRAAF

(Tall Cushion Phlox)

- Broad mounding habit is billowy, with flowers nearly all the way to the ground
- Early bloomer, continues all summer
- Lavender purple flowers have bright pink eyes
- Broad leaves are very thick and a dark green color
- Dark purple buds
- Excellent disease resistance
- Height: 28in
- Width: 42in
- Zones: 4-8

Phlox 'Kung Fuchsia' PPAF

(Hybrid Phlox)

- Very intense, bright fuchsia pink flowers totally cover the short habit
- Blooms 2-3 weeks earlier than standard *Phlox paniculata* varieties
- Disease and mildew resistant
- Height: 16-18 in
- Width: 14-16 in
- Zones: 4-8

Primula BELARINA® Amethyst Ice

(*P. vulgaris* 'Kerbelpicotee' PPAF)

Photo Courtesy of Cultivaris

(Primrose)

- Violet blue, double blossoms have a thin white edge
- Blooms in mid spring
- Compact, bright green foliage
- Sterile flowers result in long blooming plants
- Perfect for combination containers!
- Height: 5-8 in
- Width: 10-12 in
- Zones: 4-8

Primula 'Romance'

Photo Courtesy of Cultivaris

(Primrose)

- Bright medium pink double flowers have a thin white edge
- Dark green foliage is attractive
- The plant is completely covered by flowers when in bloom
- Height: 6-8 in
- Width: 6-8 in
- Zones: 4-8

Pulmonaria 'Twinkle Toes' PPAF

(Lungwort)

- Dainty light periwinkle blue flowers
- Blooms in mid spring
- Low, mounded habit
- Dark green leaves are lightly sprinkled with silver
- Thrives in part or full shade with adequate moisture
- Height: 12-14 in
- Width: 16-18 in
- Zones: 3-9

Walters
Gardens
INC

Salvia COLOR SPIRES® 'Azure Snow' PPAF CPBRAf

(Perennial Salvia)

- Compact habit
- Flowers cover about the top ½ of the plant
- Deep violet blue hoods with white lips
- Flowers are spaced closely together on the stems
- Very full, rounded habit with dark green foliage
- Height: 18-20in
- Width: 18-20in
- Zones: 3-8

Salvia FASHIONISTA™ 'Ballerina Pink' PPAF

(Perennial Salvia)

- *Salvia pratensis* hybrid
- Soft pink flowers are held on deep mauve pink calyxes
- Large, very refined flowers
- Height: 18-20 in
- Width: 16-18 in
- Zones: 3-8

Salvia FASHIONISTA™ 'Midnight Model' PPAF

(Perennial Salvia)

- *Salvia pratensis* hybrid
- Striking violet blue flowers
- Round, dense clump
- Height: 22-24 in
- Width: 20-22 in
- Zones: 3-8

Salvia FASHIONISTA™ 'Pretty in Pink' PPAF

(Perennial Salvia)

- *Salvia pratensis* hybrid
- Vibrant lavender pink flowers
- Bright colored flowers show for a long bloom period
- Height: 18-20 in
- Width: 20-22 in
- Zones: 3-8

Salvia nemorosa 'Bumbleberry'

PPAF

(Perennial Salvia)

- Dark fuchsia pink flowers on dark wine purple calyxes
- Cute, small-sized package
- Perfect for the front of the border or containers
- Height: 12-14 in
- Width: 12-14 in
- Zones: 3-8

Salvia *nemorosa* 'Bumbleblue'

PPAF

(Perennial Salvia)

- Prolific bloomer
- Violet blue flowers
- Cute, small-sized package
- Perfect for the front of the border or containers
- Height: 12-14 in
- Width: 14-16 in
- Zones: 3-8

Salvia nemorosa 'Bumblesky'

PPAF

(Perennial Salvia)

- Light, sky blue flowers
- Cute, small-sized package
- Perfect for the front of the border or containers
- Height: 14-16 in
- Width: 18-20 in
- Zones: 3-8

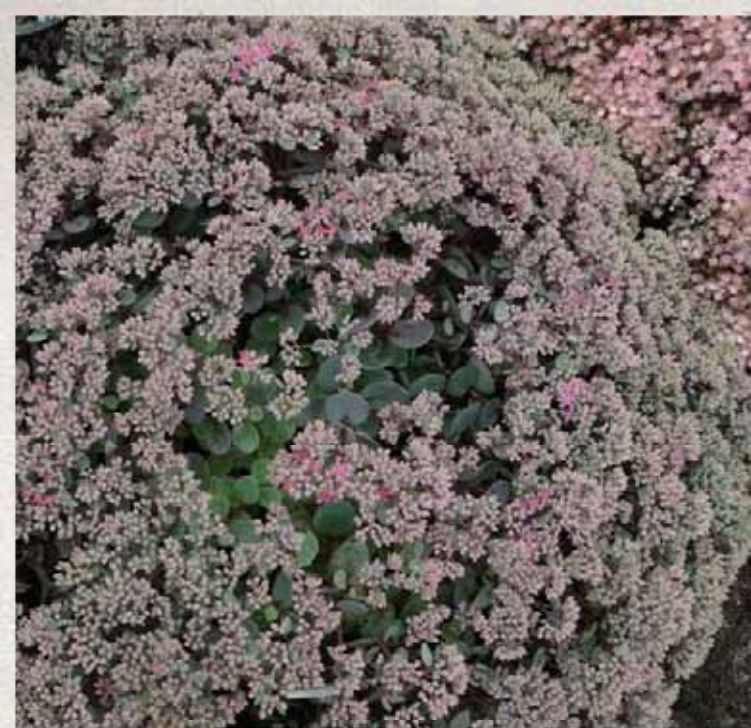

Sedum 'Little Miss Sunshine' PPAF

(Stonecrop)

- Tiny clusters of yellow flowers cover the habit in early to midsummer
- Dark green, glossy foliage
- Tough, drought tolerant perennial
- Groundcover-type sedum
- Perfect for the front of the border!
- Height: 6-8 in
- Width: 18-20 in
- Zones: 3-9

Walters
Gardens
INC

Sedum ROCK 'N GROW® 'Popstar' PPAF CPBRAAF

(Stonecrop)

- Improved *cauticola*
- Dense, full habit
- Blue green foliage on grey-purple stems
- Cheery, salmon pink flower emerge from creamy grey buds
- Flowers mature to darker seed pods
- Height: 6-10in
- Width: 18-24in
- Zones: 3-9

Walters
Gardens
INC

Sedum ROCK 'N GROW® 'Superstar' PPAF CPBRAE

(Stonecrop)

- Leaves are dark turquoise green with a smoky gray overlay
- Flowers are rosy pink with hot pink carpels – matures to dark purple and later bronze
- Intermediate groundcover type
- Good flower coverage
- Height: 12in
- Width: 20-22in
- Zones: 3-9

Sempervivum 'Black'

(Hen & Chicks)

- Hardy succulent
- Green centers with dark, black red tips
- Perfect for gravelly, poor soils
- Height: 4-6 in
- Width: 6-8 in
- Zones: 3-8

Sempervivum calcareum 'Limelight'

(Hen & Chicks)

- Attractive rosette
- Lime green leaves with pink tips
- Height: 4-6 in
- Width: 6-8 in
- Zones: 3-8

Sempervivum 'Peggy'

(Hen & Chicks)

- In spring, leaves are purple
- In summer, leaves have transitioned to deep red
- Height: 4-6 in
- Width: 6-8 in
- Zones: 3-8

Sempervivum 'Sirius'

(Hen & Chicks)

- Bright green-yellow succulent
- Leaves have reddish tips
- Height: 4-6 in
- Width: 6-8 in
- Zones: 3-8

Tiareella 'Cutting Edge' PPAF

(Foamflower)

- Dramatic dark burgundy center with green margins
- Nicely rounded habit
- Each leaf is very dissected – more so than 'Jade Peacock'
- Profuse bottlebrush type flowers cover the plants in early spring
- Foliage Height: 8-10in
- Scape Height: 16-18in
- Width: 18-20in
- Zones: 3-9

Veronica 'Mona Lisa Smile' PPAF

(Spike Speedwell)

- Long, paintbrush-like spikes
- Rosy purple flowers
- Early blooming Spike Speedwell
- Flowers almost completely cover the rounded habit
- Height: 22-24 in
- Width: 22-24 in
- Zones: 4-9

Walters
Gardens
INC

TEMPERENNIALS

Agave americana 'Opal'

(American Century Plant)

- Yellow-edge form of *Agave americana*
- Large, upright habit
- Dark green leaves have wide, butter yellow margins
- Leaves can measure up to 3in wide
- Toothed notches line the margins
- Light green color appears where margins and centers overlap
- Height: 24-36 in
- Width: 32-36 in
- Zones: 8-10

Agave *bracteosa* 'Stingray' PPAF

(Squid Agave)

- Unique shape!
- Tentacle-like narrow, twisty leaves
- Creamy yellow margins
- Height: 14-16 in
- Width: 32-36 in
- Zones: 8-10

Agave 'Ripple Effect' PPAF

(Hardy Century Plant)

- Intense blue-green leaves with yellow margins
- Toothed marginal spines and extremely long, cinnamon brown terminal spines
- Slightly wavy leaves
- Height: 12-14 in
- Width: 18-20 in
- Zones: 9-10
