

Hemerocallis RAINBOW RHYTHM® 'Orange Smoothie' PPAF CPBRAf

(Daylily) From the same hybridizer who brought you the popular reblooming daylily 'Going Bananas' comes this brand new introduction that is sure to please. 4" wide, orange mango petals with a light rose band, pink mid-rib, and green throat. The flower scapes have well-branched, 4-way scapes and upwards near 32 buds per scape, packing quite a punch with its flower performance. The diamond dusting will dazzle you as it sparkles in direct sun. Flowers are cookie-cutter consistent in form and color and we have observed excellent rebloom. 'Orange Smoothie' combines well with pastel and bold colors alike, making it a great choice for landscape designers. Plant en masse for a truly stunning display.
