General Perennials

Achillea *p.* 'Peter Cottontail' PPAF

(Sneezewort)

- Compared to *A. millefolium* types, the flower clusters on this perennial are more singular and well-spaced
- Ivory white flowers are large compared to other *A. ptarmica* varieties
- Very polished habit
- Deer and Rabbit resistant
- Height: 18-24in
- Width: 28-30in
- Zones: 3-8

Achillea 'Sassy Summer Lemon' PPAF

Sassy Summer Collection

(Yarrow)

- Bright, sunny yellow blooms
- Early bloomer – first of the Sassy Summer Collection
- Members of this collection have tall, substantial landscape presence
- Sturdy stems will stay upright thru the season
- Height: 28-32in
- Width: 36-42in
- Zones: 3-8

Achillea 'Sassy Summer Sangria' PPAF

Sassy Summer Collection

(Yarrow)

- Dark red flowers have a white eye
- Silvery green leaves
- Members of this collection have tall, substantial landscape presence
- Sturdy stems will stay upright thru the season
- Height: 30-36in
- Width: 36-42in
- Zones: 3-8

Achillea 'Sassy Summer Silver' PPAF

Sassy Summer Collection

(Yarrow)

- Golden yellow blooms
- Intense, silver foliage
- Members of this collection have tall, substantial landscape presence
- Sturdy stems will stay upright thru the season
- Height: 26-30in
- Width: 28-34in
- Zones: 3-8

Achillea 'Sassy Summer Sunset' PPAF

Sassy Summer Collection

(Yarrow)

- Dark orange blooms
- One of the taller varieties in the Sassy Summer collection
- Members of this collection have tall, substantial landscape presence
- Sturdy stems will stay upright thru the season
- Height: 30-36in
- Width: 30-32in
- Zones: 3-8

Achillea 'Sassy Summer Taffy' PPAF

Sassy Summer Collection

(Yarrow)

- Dark salmon pink blooms
- Flowers age to peachy pink
- Members of this collection have tall, substantial landscape presence
- Sturdy stems will stay upright thru the season
- Height: 26-32in
- Width: 22-26in
- Zones: 3-8

Agapanthus 'Galaxy Blue' PPAF

Galaxy Collection

(Lily of the Nile, African Lily)

- Hardy to Zone 6!
- 4in clusters of dark blue flowers
- Thanks to rebloom, this is one of the last to stay in flower in our trials
- Focal point perennial
- Height: 36-40in
- Width: 28-30in
- Zones: 6-10

Agapanthus 'Galaxy White' PPAF

Galaxy Collection

(Lily of the Nile, African Lily)

- Hardy to Zone 6!
- 5in clusters of pure white flowers
- Very vigorous; one of the largest in our trials
- Focal point perennial
- Height: 38-44in
- Width: 38-44in
- Zones: 6-10

Allium 'Lavender Bubbles' PPAF

(Ornamental Onion)

- Dark dusty purple flower globes
- Late bloomer – with color going well into fall
- Glaucous blue-green leaf blades twist and curl
- Carefree, easy to grow
- Deer and Rabbit Resistant
- Height: 12-14in
- Width: 20-22in
- Zones: 4-8

Anemone FALL IN LOVE™ 'Sweetly'

PPAF CPBRAAF

(Japanese Anemone)

- Dark rose pink, semi-double blossoms
- Fall blooming Anemone
- Prolific flower production
- Spreads slowly by rhizomes
- Height: 18in
- Width: 24in
- Zones: 5-9

Aruncus 'Fairy Hair' PPAF

(Goatsbeard)

- Creamy, triangular flower plumes
- Needle-like, medium green leaves on a compact habit
- More drought tolerant than Astilbe in the garden
- Height: 20-24in
- Width: 20-24in
- Zones: 3-7

Baptisia 'Dark Chocolate' PPAF CPBRA DECADENCE® Series

(False Indigo)

- Improvement for 'Dutch Chocolate' with much longer flower scapes
- Flower scapes extend well above the foliage
- Nearly black, charcoal purple flowers with pale yellow keels
- Height: 3-3½ft
- Width: 3ft
- Zones: 4-9

Buddleia 'Grand Cascade' PPAF

Cascade Collection

(Butterfly Bush, Summer Lilac)

- Enormous 12-14in panicles cascade down the habit, similar to a weeping willow or bridalwreath spirea
- Excellent, late blooming perennial for fall color
- Attracts butterflies
- Height: 5½-6ft
- Spread: 7-8ft
- Zones: 5-10

Brunnera 'Sterling Silver' PPAF

(Heartleaf Brunnera)

- Large silver leaves measure 7-8in across
- Improvement on 'Looking Glass' with larger leaves and habit
- Increased heat tolerance
- Height: 10-14in
- Spread: 20-24in
- Zones: 3-8

Buddleia 'Lavender Cascade' PPAF

Cascade Collection

(Butterfly Bush, Summer Lilac)

- Soft lavender purple flowers panicles are 8-10in long
- Flowers cascade down the habit like a waterfall
- Compared to 'Grand Cascade', this variety is smaller in both habit and flower size
- Height: 5½-6ft
- Width: 6½-7ft
- Zones: 5-10

Buddleia 'Pink Cascade' PPAF

Cascade Collection

(Butterfly Bush, Summer Lilac)

- Appleblossom pink panicles are 8-10in long
- Flowers cascade down the habit like a waterfall
- Similar in size to 'Lavender Cascade'
- Attracts butterflies
- Height: 5-5½ft
- Width: 5-6ft
- Zones: 5-10

Calamintha *nepeta* 'Marvelette Blue'

(Calamint)

- Fleuroselect Gold Medal 2016
- First year flowering, compact herb
- Early blooming, blue-purple flowers stand up well over time
- Sweet, minty smell
- Height: 10-12in
- Width: 12in
- Zones: 4-8

Campanula c. 'Delft Teacups' PPAF

Teacup Collection

(Carpathian Bellflower)

- Bicolor flowers of blue and white
- Blooms are 1½in
- Very refined, small perennial
- Excellent for the front of the border
- Height: 6-8in
- Width: 10-12in
- Zones: 3-8

Campanula c. 'Violet Teacups' PPAF

Teacup Collection

(Carpathian Bellflower)

- Intense violet purple flowers
- Bell shaped flowers cover its round, compact habit
- Very refined, small perennial
- Excellent for the front of the border
- Height: 10-12in
- Width: 14-16in
- Zones: 3-8

Clematis BLUSHING BRIDESMAID (‘Kaiser’)

(Vining Clematis)

- 4-5½in double, rich pink flowers bloom in early summer
- Stamens begin green but mature to pink, matching the petals and sepals
- Flowers cover the vine nearly top to bottom
- Height: 3-5ft

Dianthus 'Cute as a Button' PPAF

PRETTY POPPERS™ Series

(Pinks)

- Semi-double, bright pink flowers have a deep red eye and serrated edges
- Blue-green foliage
- Excellent for containers or the front of the border
- Height: 6-8in
- Width: 14in
- Zones: 4-9

Dianthus 'Razzlepop' PPAF

PRETTY POPPERS™ Series

(Pinks)

- Small, semi-double watermelon pink flowers have a deep red eye
- Distinctly silver-blue foliage
- Excellent for containers or the front of the border
- Height: 8-10in
- Width: 14-16in
- Zones: 4-9

Echinacea 'Atomic Orange' PPAF EYE-CATCHER™ Collection

(Coneflower)

- Large 4½in flower are vibrant tangerine orange with a dark cone
- Single flowering variety
- Excellent basal branching
- Compact, medium height variety
- Height: 16-18in
- Width: 16-18in
- Zones: 4-8

Echinacea 'Canary' PPAF EYE-CATCHER™ Collection

(Coneflower)

- Large, 5in golden yellow flowers with overlapping
- Single flowering variety
- Excellent basal branching
- Compact, medium height variety
- Height: 18-20in
- Width: 14-16in
- Zones: 4-8

Echinacea 'Coral Craze' PPAF EYE-CATCHER™ Collection

(Coneflower)

- Large 5in vibrant coral pink flowers with wide petals
- Dark, near black stems match the cone
- Single flowering variety
- Excellent basal branching
- Compact, medium height variety
- Height: 26-28in
- Width: 26-28in
- Zones: 4-8

Echinacea SOMBRERO® Lemon Yellow Improved ('Balsomemyim' PPAF US7,982,110)

Photo Courtesy of Ball Horticultural Company

(Coneflower)

- Compared to the original, this variety has wide, overlapping petals and a more compact habit
- Rich yellow flowers with a copper cone
- Plants are well branched, sturdy
- Does not require vernalization to bloom
- Height: 18-22in
- Width: 22-24in
- Zones: 4-9

Epimedium 'Amber Queen' PP17197

(Barrenwort)

- Airy flowers have bright yellow spurs and orange centers
- 24in stems have flowers produced along the entire length
- Bright green leaves have a blush red color near the crown
- Height: 24in
- Width: 24-36in
- Zones: 5-8

Epimedium w. 'Sandy Claws'

(Barrenwort)

- Long, lance-shaped leaves have spiny margins
- Newly emerged foliage has dramatic maroon coloring; color mellows to dark green by summer
- Cream-colored flowers
- Height: 12-16in
- Width: 18-24in
- Zones: 6-8in

Epimedium ssp. *n.* 'Spine Tingler'

(Barrenwort)

- Dark green leaves have spiny margins
- Leaves have a slight blush tint
- 'Spine Tingler' sends up flowers and foliage at the same time
- Soft yellow flowers
- Height: 8-10in
- Width: 18-24in
- Zones: 5-8

Eucomis 'African Night' PPAF

(Pineapple Lily)

- Hardy to Zone 6!
- Rich, burgundy leaves emerge in early summer
- Flower spikes appear in late summer, producing rosy pink flowers
- Burgundy leaflets match stems
- Height: 2½-3ft
- Width: 3½-4ft
- Zones: 6-9

Eucomis 'Safari Adventure' PPAF

(Pineapple Lily)

- Hardy to Zone 6!
- Olive green foliage is late to emerge
- Blooms in late summer
- Cream flowers age to rosy purple
- Height: 2½-3ft
- Width: 3½-4ft
- Zone: 6-9

Geranium *m.* 'Crane Dance' PPAF

(Hardy Geranium)

- Upright habit topped with beautiful blue flowers
- In fall, foliage turns bright red (in Zone 6)
- Woodland perennial
- Native to North America
- Height: 24-28in
- Width: 28-32in
- Zones: 4-8

- Height: 18-24in
- Width: 18-24in
- Zones: 4-9

Hemerocallis 'Handwriting on the Wall'

(Daylily)

- 6in triangular flowers
- Peach colored blooms have a wine purple eye
- Thin, purple picotee edge frames the petals
- Midseason bloomer
- Height: 24in
- Width: 18-24in
- Zones: 3-9

Hemerocallis 'Lavender Blue Baby'

(Daylily)

- 5½in flowers are incredibly recurved
- Lavender purple petals have a pronounced lavender blue eye
- Good rebloomer
- Height: 28in
- Width: 18-24in
- Zones: 3-9

Hemerocallis 'Swedish Girl'

(Daylily)

- Only year offered!
- 5 ½-6in pastel yellow flowers
- Mauve pink edges bleed inward
- Flowers open wide and flat with ruffled edges
- Height: 26in
- Width: 18-24in
- Zones: 3-9

Heuchera 'Apple Twist' PPAF CPBRAFDOLCE® Series

(Coral Bells)

- Newly emerging leaves have red veining that lightens with age
- Wavy, rippled edges on chartreuse yellow foliage
- Dense, full habit with good vigor
- Cream flowers
- Height: 10-12in
- Scape: 18-20in
- Width: 20-24in
- Zones: 4-9

Heuchera 'Cherry Truffles' PPAF CPBRAFDOLCE® Series

(Coral Bells)

- Mahogany red leaves are heavily ruffled
- Low, mounding habit
- Light pink flowers on dark rose calyxes
- Excellent vigor and landscape performance
- Height: 8-10in
- Scape: 21in
- Width: 20in
- Zones: 4-9

Heuchera 'Spearmint' PPAF CPBRAFDOLCE® Series

(Coral Bells)

- Leaves are silvery green with dark green veins
- Long season of bloom
- Leaves are 4in wide
- Bicolor flowers – tips of petals are pinkish red and base is lighter pink
- Height: 8-10in
- Scape: 26-28in
- Width: 16-22in
- Zones: 4-9

Heuchera 'Wildberry' PPAF CPBRAFDOLCE® Series

(Coral Bells)

- Glossy, bold purple leaves are scalloped
- Charcoal veining accents leaf color
- Rosy pink calyxes hold white flowers
- Height: 10-14in
- Scape: 28in
- Width: 16-20in
- Zones 4-9

Heuchera 'Mahogany Monster' PPAF CPBRAFF PRIMO™ Series

(Coral Bells)

- Massive glossy, mahogany red leaves
- Leaves can grow up to 6in wide; slightly ruffled
- Foliage becomes more coppery with age
- Height: 12-16in
- Scape: 32-38in
- Width: 22-28in
- Zones: 4-9

Heuchera 'Peachberry Ice' PPAF CPBRA PRIMO™ Series

(Coral Bells)

- Large apricot orange leaves have a silver overlay
- 4½-5in leaves have pronounced ruffling
- Foliage color is most pronounced in spring
- Cream flowers
- Height: 8-10in
- Scape: 24in
- Width: 16-24in
- Zones: 4-9

Heuchera 'Lemon Love' PPAF

(Coral Bells)

- *H. villosa* hybrid
- Chartreuse-leaf Heuchera that resists burning
- Slightly ruffled leaves on an especially vigorous habit
- Can grow up to 3ft wide
- Cream flowers with hints of blush in the calyxes
- Height: 10-14in
- Scape: 20in
- Width: 28-32in
- Zones: 4-9

(Coral Bells)

- Semi-glossy leaves emerge metallic pink, maturing to a dark berry pink
- Veins darken as the season progresses
- Best leaf color when planted in filtered or light shade
- Height: 10-12in
- Scape: 28-30in
- Width: 16-20in
- Zones: 4-9

Heuchera 'Grape Timeless' PPAF

Timeless Collection

(Coral Bells)

- Shiny dark purple leaves have charcoal veining
- Bright rosy pink flowers are produced on dark purple stems
- Flower height is proportionate to plant size
- Rebloomer
- Height: 8-10in
- Scape: 18-20in
- Width: 18-20in
- Zones: 4-9

Heuchera 'Timeless Glow' PPAF

Timeless Collection

(Coral Bells)

- Chartreuse yellow foliage has a silver overlay; matures to lime green
- Leaf color is best in partial sun; greener in full shade
- Intense, rich rose pink flowers
- Rebloomer
- Height: 8-10in
- Scape: 14-16in
- Width: 16-18in
- Zones: 4-9

Heuchera 'Timeless Treasure' PPAF

Timeless Collection

(Coral Bells)

- Pewter leaves have dark veins
- Rosy pink flowers are held on proportionate mahogany stems
- Prolific bloomer; rebloomer
- Height: 8-10in
- Scape: 16-20in
- Width: 14-16in
- Zones: 4-9

Hibiscus 'Holy Grail' PPAF CPBRA SUMMERIFIC® Series

(Rose Mallow)

- Deep red flowers are 8-9in across
- Very dark, near-black leaves are oval shaped
- When the flowers are finished, bright green calyxes stand out as contrast to the dark foliage
- Use this as a focal point to design your garden around
- Height: 4-4½ft
- Width: 4½-5ft
- Zones: 4-9

Hosta 'Age of Gold' PPAF

- Large gold hosta
- Upright, spreading habit with large, smooth leaves
- White, tubular flowers have a faint central lavender pattern
- Plant in morning sun or filtered shade for best yellow color
- Height: 25in
- Scape: 42-48in
- Width: 58in
- Zones: 3-9

Hosta 'Diamond Lake' PPAF CPBRA SHADOWLAND® Collection

- Heart shaped, thick blue leaves are corrugated with rippled margins
- Large leaves get up to 9in wide by 11in long
- Pale lavender flowers
- Height: 17in
- Scape: 25-28in
- Width: 45in
- Zones: 3-9

Hosta 'Etched Glass' PPAF CPBRA SHADOWLAND® Collection

- 'Stained Glass' sport
- Very wide, dark green margins; light green pattern between margin and centers
- Margins are puckered when mature
- Very large fragrant, near-white flowers in August
- Height: 18in
- Scape: 36in
- Width: 36in
- Zones: 3-9

Hosta 'First Dance' PPAF

- Sport of 'Dancing Queen'
- Wide yellow center and rippled green margins
- Yellow centers mellow to chartreuse green by midsummer
- Pale lavender flowers
- Height: 24in
- Scape: 44in
- Width: 58in
- Zones: 3-9

Hosta 'Wu-La-La' PPAF CPBRAFF SHADOWLAND® Collection

- 'Empress Wu' sport
- Large blue-green leaves have apple green margins
- Magnificent presence in the landscape
- Height: 3-4ft
- Width: 5-6ft
- Scape: 4ft
- Zones: 3-9

Iris s. 'Swans in Flight'

(Siberian Iris)

- 2016 Dykes Medal Winner
- Bloom in early summer
- Extremely large, 5in ivory white flowers
- Lemon yellow signals
- Height: 33in
- Width: 18-24in
- Zones: 3-9

Kniphofia 'Backdraft' PPAF CPBRAFPYROMANIA™ Series

(Red Hot Poker)

- Intense dark orange flowers open to peachy-yellow
- Very dense, dark foliage with a mounding habit
- Shows some rebloom
- Dark green foliage, excellent landscape performance
- Height: 32-36in
- Width: 28-32in
- Zones: 5b-9 (with protection)

Kniphofia 'Flashpoint' PPAF CPBRAFPYROMANIA™ Series

(Red Hot Poker)

- Buds are chartreuse yellow and open creamy white
- Dense, full habit of dark green leaves
- Tall flower spikes
- Latest in the series to flower
- Height: 48-55in
- Width: 30-36in
- Zones: 5b-9 (with protection)

Kniphofia 'Hot and Cold' PPAF CPBRAFPYROMANIA™ Series

(Red Hot Poker)

- Peach-orange flower buds mature to light peach, opening creamy white
- Lots of rebloom
- Dark green foliage, excellent landscape performance
- Height: 32-36in
- Width: 24-28in
- Zones: 5b-9 (with protection)

Kniphofia 'Orange Blaze' PPAF CPBRAFPYROMANIA™ Series

(Red Hot Poker)

- Bright orange flowers are densely packed on the flower spike
- Dark green foliage, excellent landscape performance
- Height: 28-32in
- Width: 18-22in
- Zones: 5b-9 (with protection)

Kniphofia 'Rocket's Red Glare' PPAF CPBRAFPYROMANIA™ Series

(Red Hot Poker)

- Intense warm red buds, matures to creamy yellow with age
- Exceptionally long flower spikes
- Dark green foliage, excellent landscape performance
- Good rebloom
- Height: 32-36in
- Width: 20-24in
- Zones: 5b-9 (with protection)

Kniphofia 'Solar Flare' PPAF CPBRAFPYROMANIA™ Series

(Red Hot Poker)

- Bright, sunny yellow flowers hold their color in all bloom stages
- Dark green foliage, excellent landscape performance
- Good rebloom
- Height: 40-44in
- Width: 24-28in
- Zones: 5b-9 (with protection)

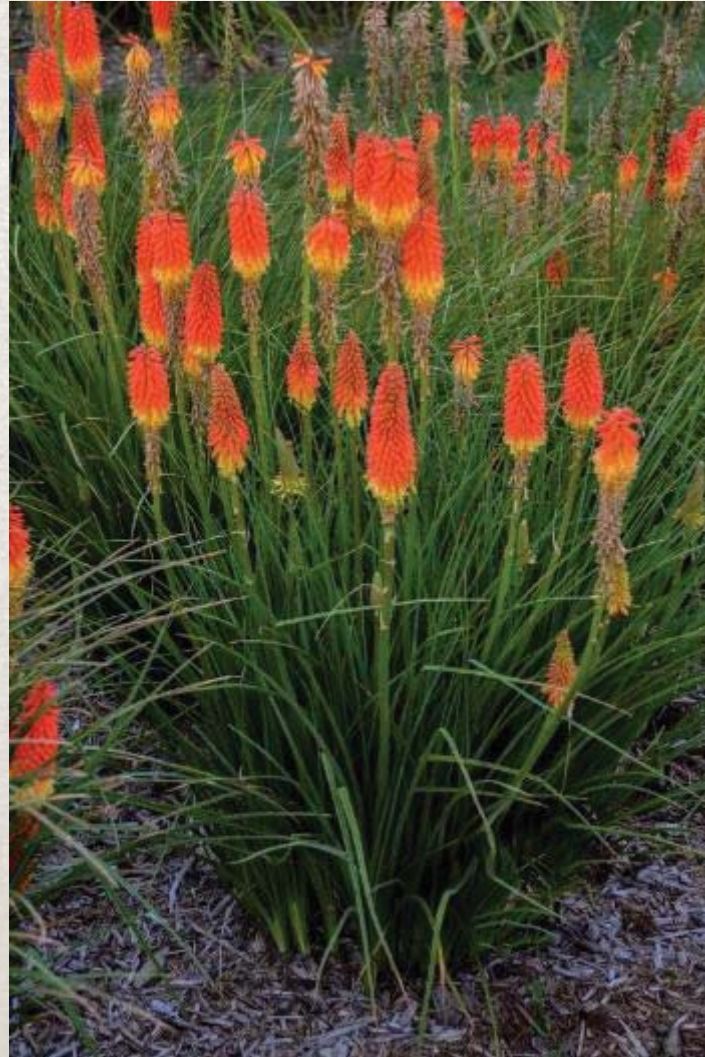

Kniphofia 'High Roller' PPAF WINNERS CLUB™ Collection

(Red Hot Poker)

- Bicolor coral orange flowers open creamy white
- Blooms for many weeks beginning in early to midsummer
- Hardy to zone 6; can be overwintered in Zone 5b with protection
- Height: 36-48in
- Width: 24-28in
- Zones: 6-9

Kniphofia 'Jackpot' PPAF WINNERS CLUB™ Collection

(Red Hot Poker)

- Bright reddish orange flowers open yellow
- Blooms for many weeks beginning in early to midsummer
- Hardy to zone 6; can be overwintered in Zone 5b with protection
- Height: 32-36in
- Width: 24-28in
- Zones: 6-9

Kniphofia 'Lucky Lemons' PPAF WINNERS CLUB™ Collection

(Red Hot Poker)

- Pastel yellow buds mature to creamy yellow flowers
- Blooms for many weeks beginning in mid to late summer
- Hardy to zone 6; can be overwintered in Zone 5b with protection
- Height: 44-48in
- Width: 30-36in
- Zones: 6-9

Kniphofia 'Poker Face' PPAF WINNERS CLUB™ Collection

(Red Hot Poker)

- Red-orange flower spikes
- Blooms for many weeks beginning in early to midsummer
- Hardy to zone 6; can be overwintered in Zone 5b with protection
- Height: 34-38in
- Width: 18-24in
- Zones: 6-9

Lagerstroemia 'Brew Ha Ha' PPAF BARISTA® Collection

(Crapemyrtle)

- Vibrant, bubblegum pink flowers
- Very dark blue-green leaves
- Blooms in late summer on new wood
- Height: 2-2½ft
- Width: 2-2½ft
- Zones: 6-9
- Measurements based on performance in West Michigan (Zone 6)

Lagerstroemia 'Chai Berry' PPAF BARISTA® Collection

(Crapemyrtle)

- Rose-pink flowers
- Wide, glossy green leaves
- Blooms in late summer on new wood
- Height: 2-2½ft
- Width: 2-2½ft
- Zones: 6-9
- Measurements based on performance in West Michigan (Zone 6)

Lagerstroemia 'Dark Roast' PPAF

BARISTA® Collection

(Crapemyrtle)

- Bright fuchsia pink flower clusters
- Notably dark foliage has red undertones
- Blooms in late summer on new wood
- Height: 3-3½ft
- Width: 2-2½ft
- Zones: 6-9
- Measurements based on performance in West Michigan (Zone 6)

Lagerstroemia 'Lava Java' PPAF BARISTA® Collection

(Crapemyrtle)

- Magenta rose flowers on well formed panicles
- Glossy, deep green leaves
- Blooms in late summer on new wood
- Height: 1½-2ft
- Width: 1½-2ft
- Zones: 6-9
- Measurements based on performance in West Michigan (Zone 6)

- Zones: 4-9

Veronica 'Lavender Lightsaber' PPAF

(Spike Speedwell)

- Upright, columnar habit is topped with soft lavender flowers
- Perfect for adding height to the middle of the border
- Height: 28-30in
- Width: 18-20in
- Zones: 4-9

Veronica 'Wizard of Ahhs' PPAF CPBRAFMAGIC SHOW® Collection

(Spike Speedwell)

- Violet blue flower spikes with lime-green tips
- One of the earliest bloomers in our trials
- Dense, full habit has more foliage presence than 'Hocus Pocus'
- Requires vernalization for floral induction
- Height: 14-16in
- Width: 18-20in
- Zones: 4-8

Walters
Gardens
INC

Temperennials

Agave s. 'Royal Flush' PPAF

(Century Plant)

- A wide margined sport of Queen of White Thread ('Shira ito no Ohi')
- Noticeably wider creamy white margins balance dark green, lance-shaped leaves
- The distinctive, curly white filifers (threads)
- Height: 12in
- Width: 18in
- Zones: 8b-10

Agave *t.* SNAGGLE TOOTH™ (‘MSWNStarr1’)

(Century Plant, Rancho Tambor Agave)

- Variegated sport of Agave *titanota*
- Gray-green centers and wide, cream margins
- Marginal and terminal spines emerge cinnamon brown, but with age lighten to cream
- Height: 10in
- Width: 10-12in
- Zones: 9-11

Mangave 'Blue Dart' PPAF

MAD ABOUT MANGAVE® Collection

- Silvery blue appearance comes from the waxy coating on the leaves
- Forms a perfectly symmetrical rosette of very rigid leaves
- Leaves are edged with dark brown margins and terminal spines
- Height: 12-16in
- Width: 18-22in
- Zones: 9-11

Mangave 'Freckles and Speckles' PPAF

MAD ABOUT MANGAVE® Collection

- Minty green leaves with a lavender overlay are lightly freckled with dark burgundy spots
- Margins curl up slightly to showcase its white, serrated edge
- Rose pink terminal spines
- Height: 12in
- Width: 22-24in
- Zones: 9-11

Mangave 'Mayan Queen' PPAF

MAD ABOUT MANGAVE® Collection

- Frosty blue leaves have a serrated edge
- Subtle burgundy spotting is concentrated at the tips of the leaves; spotting is most visible under direct sunlight
- Lower leaves appear greener
- Narrow leaves curl and arch downward at the tips
- Height: 12in
- Width: 22-24in
- Zones: 9-11

Mangave 'My Dog Spot' PPAF

MAD ABOUT MANGAVE® Collection

- Long, thin light green leaves are filled with a smattering of dark burgundy spots
- Long-growing, prostrate habit
- Leaves are lined with small marginal spines
- Readily forms pups or offshoots
- Height: 8in
- Width: 16in
- Zones: 9-11

Mangave 'Purple People Eater' PPAF

MAD ABOUT MANGAVE® Collection

- A neat rosette of thick, sturdy leaves
- Foliage is blue-green with heavy reddish-purple spotting that makes the leaves appear purple
- Best leaf color under UV light; lower leaves appear green
- Yellow, orange, and cinnamon brown spines
- Height: 12-16in
- Width: 16-24in
- Zones: 9-11

Mangave 'Red Wing' PPAF

MAD ABOUT MANGAVE® Collection

- Forms a very large, refined rosette
- Pronounced deep red leaves
- Best color under UV light
- Height: 16-18in
- Width: 24-26in
- Zones: 9-11
